

# CULTIVATING GENEROSITY

At EverBless, we believe that to plant a garden—and to invest your funds—is to believe in tomorrow. Both actions reflect a dream of harvestings to come. Both require planning, patience, knowledge and careful decision making. In 2024, these principles bore fruit as EverBless experienced another year of record-breaking growth.

**Preston Jones**  
**Chief Financial Officer**

Thanks to sustainable investment strategies and the trust of our donors, EverBless set records by growing total assets under management to a new high of nearly \$270 million, including a record \$27 million in new contributions received from donors. More importantly, the harvest was abundant: We distributed a record \$11 million to charitable

organizations. This remarkable number helps to ensure that their missions continue to flourish.

As we look ahead, EverBless remains committed to:

- Sowing the seeds of long-term financial stability
- Pruning wisely by navigating market shifts with care
- Cultivating Christian generosity through expert stewardship

Just as solid roots in good soil grow healthy plants, a financial foundation of disciplined practices and experienced advisors fuels growth and giving. We're confident EverBless will continue to help Kingdom-based organizations thrive for generations to come!
