

STEADY STEWARDSHIP IN A ROCKY WORLD

At EverBless, we understand that meaningful progress rarely happens all at once. More often, it comes through steady effort, careful planning, perseverance and determination. Faithful financial stewardship is much like a long climb: marked by strategic ascents, occasional descents and a clear focus on the summit ahead.

Preston Jones
Chief Financial
Officer

In 2025, financial markets were strong, and EverBless continued to make headway by navigating that environment with disciplined, long-term investment practices. With a patient and resilient approach, the foundation closed the year with \$311 million in assets under management, a new all-time high reflecting sound investment decisions and continued confidence from our donors and partners. New contributions reached \$27.6 million, narrowly surpassing last year's record and reinforcing the value of staying the course.

Most importantly, this market strength and prudent stewardship combined to create meaningful impact. During 2025, EverBless distributed nearly \$20 million to churches, schools, ministries and Christian organizations, providing vital support as they carried out their missions.

As a trusted partner and knowledgeable guide, EverBless remains committed to safe, secure stewardship. With clear goals and steady footing, we will continue to forge ahead, confident that together we can keep climbing toward new heights.
